Everybody is fond of minstrels. Don't forget the date - April 20th.

The Rose Stillman comedy company will be here April 28 and April 29.

Cattle buyers will do well to address Frank Smith, Arivochi, Sonora, Mexico.

There will be a social at the Congregational church next Thursday evening.

"My Honolulu Lady" at the minstrel show Thursday night was simply immense.

E. F. Booth of Guaymas, came up from the bay city last Thursday and will return tomorrow morning.

Ashley, the watchmaker, has a full line of spectacles and nose glasses at the Sonora News Co.

Mr. W. H. Randall and Mark Luley will leave in the morning on a few days outing in the mountains.

Captain L. W. Mix came up from Hermosillo the fore part of the week and spent several days in the border city.

Mr. Mark Luley has sold his elegant piano to E. B. Hogan. This piano is one of the finest instruments in the city.

Mr. Paul Heerman of the Tucson Stationary company, was in town this week on business with the board of supervisors.

The dance to be given tonight in the Athletic club hall in honor of Hon. and Mrs. H. K. Chenoweth will be a pleasant social affair.

Lecream will be served by the ladies of the Congregational church at their social next Thursday evening. A good time is expected and every body is invited.

S. Bradford Tyrol, attorney-at-law, arrived in Nogales the fore part of the week from California and will open law offices on Morley avenue in the near future.

Mr. Frank Mortimer, the juggler, who appeared at the minstrel show Thursday night, is a very clever young man and his work alone was worth the price of admission.

Manager Geo. B. Marsh of Marsh's opera house has titled "The Rose Stillman," Comedy company for two nights, April 28 and 29th. The Rose Stillman comedy company is one of the best of its kind on the road and they will be given a rousing reception by Nogales people who never overlook a good thing.

Hell! Hell! Is this the Red House? Yes, what can we do for you? Have you any of those fine ladies' shoes No. 4, "A"? Yes, and we are selling all our shoes at prices you can not duplicate in the east. We pay the freight. Our Mr. Vasquez does all the buying and our shoes sell them selves.

Albert H. Norcross, a railroad engineer, has filed in the land office a homestead entry on section 6, township 18 south, range 21 east. The piece of land in question is on the railroad between St. David and Benson, in the arroyo water district. Mr. Norcross has struck water on his place, which renders it particularly valuable.

Spring is at hand and you no doubt are in need of light weight underwear. It will not cost you one cent to step into the Red House and inspect their big stock of spring and summer wear. Perhaps you do not know that the Red House carries the largest line of these things in the city. The goods and prices will astonish you.

Mr. Gerard May, senior member of the firm of May Hermanos of Nogales and Hermosillo, passed through on Sunday evenings train accompanied by his family. Mr. May goes to Paris to reside in the future. Many friends were at the depot to extend them God speed. Mr. B. Schwab, representing the house at Nogales accompanied them as far as Benson.

On Thursday last a party of distinguished Americans from Guaymas passed through Nogales en route to the coast. They were Mr. and Mrs. Coloden, Oscar J. Smith and wife, Mrs. Hanks and Mr. P. W. Barkley.

Professor Redewill, the Phoenix piano man, arrived in the border city yesterday. Professor Redewill has sold more pianos in Arizona during the last two years than any man in the territory.

The Red House is always abreast of the times. It never takes chances on being too late. Mr. Vasquez has taken time by the forelock and has purchased a large up-to-date line of spring and summer dress goods which he is selling at eastern prices. Why not patronize your home people instead of sending out of town for articles you can buy for the same money.

Sheriff Barnett left last night for Tucson with Luis Chavez, the man accused of killing E. A. Shepard. Chavez will be placed in the Pima county jail for safe keeping, the board of supervisors of Santa Cruz county having made arrangements with the Pima county officials to board and lodge our prisoners at the same rate per month charged the government.

Chas. M. Finch, representing the Paily Jail Building and Manufacturing company of St. Louis, is in the city. Mr. Finch is here for the purpose of securing the contract to build a jail for Santa Cruz county. The company which Mr. Finch represents is the only one of its kind in the world. They have built most of the jails in Arizona and many of the best in the United States and Mexico. Mr. Finch is a courteous gentleman possessed of the happy faculty of making friends wherever he goes.

"Just dropped in for a day or two to see old and new customers." This was Redewill's April introduction to Tucson. He cannot stay away from the old pueblo, best town in the territory as regards his line - pianos, etc. He is going to Sonora and a carload of instruments has the start of him. Would you believe it Redewill has unloaded eighty-four pianos on the music loving people of Arizona since last October! He has a way of doing things that is altogether Redewill. He goes to Sonora tomorrow. Great is Redewill. - Tucson Citizen.

A Narrow Escape.

Thankful words written by Mr. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four Doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs, and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God, I am saved and now a well and healthy woman." Trial bottles free at Jas. B. Mix & Co., Drug Store.

Regular size 50 cents and \$1.00. Guaranteed or price refunded.

Arizona's Father.

Yesterday Col. C. D. Poston celebrated the 74th anniversary of his birth. It is a matter of happy congratulation that he has been given such a ripe and hearty old age, and a matter of serious satisfaction to the people of the territory that the few years yet possibly remaining to him are provided for in so far as the necessities and comforts are concerned by the thoughtfulness of a grateful and appreciative people who spoke during the past winter through their legislature relative to this matter.

Charley Poston was the "Father of Arizona" and is so still. That fact coupled with the phrase itself made it self felt on all the members of the Twentieth. It is a fact and a phrase recognized by the people of the territory, and in the name of the people the Gazette extends to the old veteran hearty congratulations and wishes for many happy returns of pleasant anniversaries. - Gazette.

Gold Excitement Near Bisbee.

Considerable excitement has been caused in our city during the past few days, owing to the discovery of several ledges of gold-bearing quartz about seven miles below here in the main canyon. One group of claims has been located by Joe Huber, the blacksmith, who has been doing development work on the claims. The quartz is more or less decomposed and iron stained and has free gold sprinkled throughout it. Quite a number of excellent specimens showing considerable free gold were brought up yesterday.

Joe Robinson is also another lucky man who has succeeded in finding a ledge of the yellow metal. His claims are situated on the side of the Huber group, but on the same lead which can be traced for several miles. The whole country adjacent to the new prospects has been located and prospectors can be seen striking off over all the hills in that direction.

Frank Dabacher and partners are still at work developing their gold prospects near Solomon Springs and the ledge is increasing in width as the depth of the shaft increases. The ore at present will run \$15 or \$20 in gold and continues to improve. From present indications it begins to look as though we were going to have a gold producing district as well as the famous copper district. - Orb.

The Best in Arizona.

The Arizona Republican, with Chas. C. Randolph, editor and proprietor, came out with twenty-four pages as a sample of the spring number. Mr. Randolph is well-known in Kansas City and in Kansas, having spent some years there in newspaper work. He is in charge of the Republican about three years ago and proceeded at once to work in the direction of making a newspaper. His energy, common sense and talent very soon made interesting columns of what had been dreary waste. The Republican is now the most complete newspaper in Arizona. - Kansas City Journal.
